“Dance party.”

# ON BOARD SERVICES

## *Our cuisine and the buffet*

Every visitor upon boarding the ship will have the chance to enjoy a delicious mediterranean breakfast escorted by a panoramic view of the blue waters of the Saronic Gulf.

During the noon hours, when the appetite arises, the delight launches by the freshly cooked creations being prepared daily for all passengers, our prominent chef, drawing inspiration from Greek and Mediterranean cuisine. Delicacies made of fine, pure and freshly chosen materials compose a gastronomical trip of taste, for all of our guests.

In case a passenger has specific diet based needs, our experienced staff will gladly prepare a special menu to cover explicitly his taste needs.

### *Entertainment & Music*

### *Bars*

### *Comfort & Equipment*

As dozens of our passengers have confided us, "**they came to cruise but were thrilled with fun.**" Our live orchestra with its beautiful rhythms but also our dancing crew with its vivacity and cheerfulness will transmit to the passengers the spark of the Greek entertainment, making everybody a great company which will sing and dance together on the foam of the Greek sea.

When the mood of the passengers starts to rise, we put a hand, for it to take off. In the two beautiful bars located onboard, our specialized bar tenders will serve the most unique, colorful and tasteful cocktails.

Throughout the cruise, the passengers may use freely the free WiFi of the ship, while the mobile telephony transponders established on the ship, guarantee an excellent 3G signal. Furthermore, audiovisual systems of the latest technology with large LCD monitors are available at any time for the cover of any need that may arise.

# OUR SHIP

---

## *Kassandra Delphinous*

---

Our ship, Kassandra Delphinous, a unique vessel of 45 meters and capacity of 344 people, has in its interior, two luxurious and comfortable lounges, a spacious deck that is used for lunch, fun and relaxation of the passengers on comfortable pillows and loungers, with the view of the Saronic Gulf, and numerous ancillary facilities to meet every need and desire during trip.

In full compliance with the strictest International and European safety rules, our ship promises to our passengers a safe and carefree cruise, even in the most difficult weather conditions.

# THE DESTINATIONS

## *The islands*

First station is the cosmopolitan **Hydra**, with its cobbled streets, the untouched -for centuries - outstanding architectural wealth and the traditional means of transportation that someone encounters on the island, its donkeys, will make its visitors fall in love with her at the first glance.

Next stop is the port of **Poros**. An evergreen island , with unsurpassed natural beauty and thousands of pines extending from the rugged coasts to the sandy beaches, making it the island of romance and recreation.

Last station the historical **Aegina**. The largest island of the Saronic Gulf, which got its name from the beautiful bride who was abducted by Zeus. Aegina is famous all over the world for two things. Its delicious peanuts and its beautiful virgin beaches.

## *Transportation from and to the ship*

Upon request, Olympic Cruises is able to offer comfortable and timely transposition, of the passengers, from and to the Marina Flisvos thanks to its luxurious private buses available.
